

Scottish Weekend 2023 COVID protocols

The Scottish Weekend planning committee has thought long and hard about what our protocols will be for the weekend this year. We have decided on the following COVID policy:

1. We will remind people that they must stay away from the weekend if they have any symptoms or if they know they have been exposed to the virus. We will remind them that we will refund fees if someone must stay away because of illness.
2. We will ask all attendees to do a COVID test before arriving. We will ask them to bring a picture of the negative results to the registration table. We will have extra tests for anyone who arrives without a test. **Anyone who has a positive test will be asked to leave and will have all fees refunded.**
3. We will make masks optional but encourage people to wear them and have extra masks available.
4. We will have hand sanitizer available in all locations and encourage people to use it.
5. We will provide a location for outdoor dining where possible and discourage gatherings of many people in an indoor space.
6. We will have the option of having four people to a bunkhouse instead of eight.
7. We will use the fans in the big hall to assure air circulation.
